

On Friday, March 15, 2019, VUPD received a report from a Campus Security Authority that a female student reported she had experienced a drug or alcohol facilitated sexual assault by a male student during the evening hours of Thursday, March 14, 2019, in an on-campus residence hall.

This Security Notice is being issued to remind the Vanderbilt community that:

- Sexual assault does not just occur between strangers.
- Consent must be clear and unambiguous for each participant at every stage of a sexual encounter.
- The absence of "no" should not be understood to mean there is consent.
- A person who is asleep or mentally or physically incapacitated, either through the effect of drugs or alcohol or for any other reason, is not capable of giving valid consent.
- Sexual assault is a crime.
